Subject: Request for Complete Reclamation Contract and Surety Rider to BLM Surface Management Personal Bond, Dale Snyder aka Absolute Mining & Minerals, LLC, Ammi Mine Site, S/019/035, Grand County, Utah

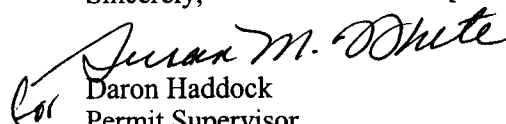

Dear Mr. Snyder:

The Division must receive an executed bond rider to the Surface Management Personal Bond that is being administered by the BLM. Please contact the BLM for more information about signing this rider and sending a copy of it to the Division. In addition, the enclosed small mine reclamation contract must be completed, signed and notarized and returned to the Division. Please direct your immediate attention to these important tasks.

Failure to furnish and maintain reclamation surety may result in permit withdrawal after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.

Please direct inquiry and correspondence to Ms. Beth Ericksen, Minerals Surety Coordinator, (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

Daron Haddock
Permit Supervisor
